PROFILE SUMMARY

- Full-stack developer specializing in the MERN stack, delivering scalable and efficient web applications.
- Proficient in Java, Python, and DSA, with a strong focus on creating user-friendly and dynamic interfaces.
- Experienced in building end-to-end solutions, integrating APIs, and optimizing application performance.
- Dedicated to leveraging modern technologies for solving real-world problems.
- Interested in computer networks and ethical hacking

TECHNICAL SKILLS

- Express.js
- Node.js
- React.js

- HTML
- CSS
- JavaScript

- Java
- Python
- MySQL and MongoDB

PROJECTS

E-commerce website (MERN)   **October 2024**

- Developed a full-stack e-commerce application with a user-friendly interface.
- Integrated payment gateways, product search filters, and an admin panel for inventory management.
- Achieved optimized performance using React, Express, and backend optimization

AI Photo Generator (MERN)   **December 2024**

- Built a MERN-based AI photo generator allowing users to create images from text prompts or uploads.
- Added a credit-based system with secure payment integration for generating more images.
- Utilized AI models for high-quality image generation and MongoDB for user and data management.

Patient-Doctor Appointment App (MERN)   **January 2025**

- Built a robust appointment scheduling system with three login roles: Admin, Patient, and Doctor.
- React provided a seamless frontend experience, while Node.js and Express powered the backend API.
- MongoDB handled dynamic data storage, including user accounts, appointments, and notifications.

INTERNSHIP EXPERIENCE

MERN Stack intern | Zidio Development   **Jan 2025 – Mar 2025**

- Built and maintained full-stack web features using MongoDB, Express.js, React.js, and Node.js
- Created responsive UI components with React.js and integrated RESTful APIs
- Developed backend APIs with Node.js and managed data using MongoDB
- Used Git and GitHub for version control and team collaboration

Certificate & report

EDUCATION & ACHIEVEMENT

- **B.Sc (computer science)**
- **Languages : English, Hindi, Kannada, Urdu, Punjabi**
- **YouTube : codewithkinu**
